I am free from any symptom. I can do all of my daily activities. My quality of life is good. I am grateful for my good health.	I barely notice the symptom. I can do most of my daily activities. I don't think much about the symptom, but it does cause me some discomfort.			I notice the symptom and it causes me distress. I can do some of my daily activities. I can only ignore the symptom for a short period of time.			I experience constant distress from the symptom. I am unable to do many of my daily activities. I can not ignore the symptom, it disrupts my ability to think clearly, hold a job, and maintain social relationships.			I am in distress and excruciating pain from the symptom. I am unable to do any of my daily activities. I am weak, delirious and bedridden. (Very few people ever experience this level of pain. Suicide is often considered.)

TERMS OF ACCEPTANCE

Here at Summit Family Chiropractic the term Practice Member is used instead of “patient” as “patient” suggests illness or injury, and many whom we serve are healthy and seeking wellness rather than symptom management. A Practice Member is an active participant in his or her chiropractic care, and is therefore invited to ask any questions or express any concerns that he or she may have. Practice Members can expect quality service and leadership as they regain control of their health. With the utilization of state of the art advanced technology, a complete analysis of your spine will be administered first to detect the presence of vertebral subluxation complex and to monitor your progress. Please read and sign this form stating that you understand the items explained below. If there is anything that is unclear please ask questions before you sign. If you refuse to sign this form the doctor reserves the right to refuse care.

INFORMED CONSENT FOR CHIROPRACTIC CARE

I hereby consent to give the doctor of chiropractic, and anyone working in the Summit Family Chiropractic office authorized by the chiropractor, permission and authority to care for me. Chiropractic tests, diagnosis, analysis, and adjustments are very safe and beneficial and rarely cause any risks. In rare cases, underlying physical defects, deformities or pathologies may make the Practice Member prone to injury. It is the responsibility of the practice member to make it known, or to learn through health care procedures if he or she is suffering from latent pathological defects, illnesses, or deformities, which would otherwise not come to the attention of the chiropractor. The doctor of chiropractic will not give any treatment or care if he or she is aware that such care should not be used for a particular condition or circumstance. Your doctor of chiropractic is a licensed primary care provider, and is available to work with all other types of providers. I understand that if I am accepted as a Practice Member at Summit Family Chiropractic, I am authorizing them to proceed with any treatment that they deem necessary. I understand that following the doctor’s recommended care plan is essential to maximizing my healing and reaching optimal health through chiropractic. Furthermore, any questions that I have regarding chiropractic care, will be explained to me upon my request.

AUTHORIZATION FOR X-RAYS

Specific postural x-rays may be necessary for the identification of the location, type, and severity of vertebral subluxation, as well as for the diagnosis and identification of latent or dangerous conditions requiring medical attention. X-rays may also be used to show progress after a period of recommended chiropractic care. At your request, you can receive a copy of your x-rays to a disc for the mandated fee of \$15.00.

By signing below, I authorize Summit Family Chiropractic to perform diagnostic x-rays of me.

Females, select which is true for you:

- To the best of my knowledge, there is no chance that I am pregnant at this time.
- I know or believe that I may be pregnant at this time and therefore I **DO NOT** authorize Summit Family Chiropractic to perform diagnostic x-rays of me.

AUTHORIZATION FOR RELEASE OF INFORMATION & ASSIGNMENT OF BENEFIT

By signing below, I recognize that I am financially responsible for all services rendered to me regardless of insurance or benefits. I further understand that any health insurance policy is an arrangement between me and my insurance carrier and that I may be required to pay for some or all of the fees charged to my account. I hereby authorize Summit Family Chiropractic LLC to release all necessary information concerning my health condition to any billing company, insurance company, attorney, and/or adjuster in order to process any claim for reimbursement of charges incurred by me. In addition I authorize Summit Family Chiropractic LLC to release any information regarding my health condition to other health care providers involved in my care. This assignment will remain in effect until revoked by me in writing. I agree that a photocopy of this form is to be considered as valid as the original. I confirm that all information I have provided is true and correct to the best of my knowledge. I confirm that I have read and fully understand this agreement and authorize Summit Family Chiropractic LLC to proceed with chiropractic tests, diagnosis, analysis, and adjustments.
